

BECOME A PART OF OUR "E-TALENT FACTORY" PROGRAM

"e-Talent Factory" is a program through which IKEA wants to get familiar with students of final years of graduate or post-graduate studies, and offer them an opportunity to go through a 12-month paid internship program and to specialize in the field of web and digital business.

We expect you to:

- understand digital media channels;
- be able to explain complex problems and procedures;
- have analytical and problem-solving skills;
- be a good communicator;
- have good written and spoken English skills;
